Anderson

No Roof Left Behind is a nationwide program that gives folks in the community a way to help their neighbors that have fallen on hard times.

The No Roof Left Behind program provides a local contractor the framework to install a new roof at no cost to a deserving homeowner in need.

1362 Apple Valley Road Lyons, CO

- ❑ Tear-off of 2 layers of composition shingles and 1 layer of cedar shakes
- ❑ Installation of 7/16" OSB due to rotten sheathing
- ❑ Built chimney cricket to city code
- ❑ Installation of GAF Timberline HD Barkwood Shingles
- ❑ Installation of new fascia board due to rot
- ❑ Installation of new gutter system

55 South Quitman Street Denver, CO

- ❑ Tear-off of 1 layer of composition shingles
- ❑ Installation of 7/16" OSB over spaced sheathing
- ❑ Installation of 2 squares of modified bitumen on low slope area
- ❑ Installation of GAF Timberline HD Barkwood Shingles
- ❑ Installation of new gutter system

NRLB Install 1 and NRLB Install 2 both hold the GAF System Plus Warranty

Safety Considerations

(Applicable to both NRLB Install 1 & NRLB Install 2)

- Complete fall protection necessary for all workers at all times.
- Securing of the jobsite to allow for the Installation Celebration (gathering of the community to support the homeowner who received the free roof).
- Providing separation of guests and installers during installation.
- Planned use of limited space for parking and worksite.
- Blocking off the street with barricades and road closure permit.

Unique Job Conditions

(Applicable to both NRLB Install 1 & NRLB Install 2)

- Homeowners had to be nominated through the No Roof Left Behind website and voted on by the community to receive the roofing system, as administered by Advanced Exteriors, Inc.
- Planning for and scheduling vendors and community members to attend the Installation Celebration.
- Provide a safe area for the community to gather adjacent to jobsite.
- Hand-loading of materials due to access restrictions.
